

Glen Cairn Community Resource Centre Host Site

Introduction:

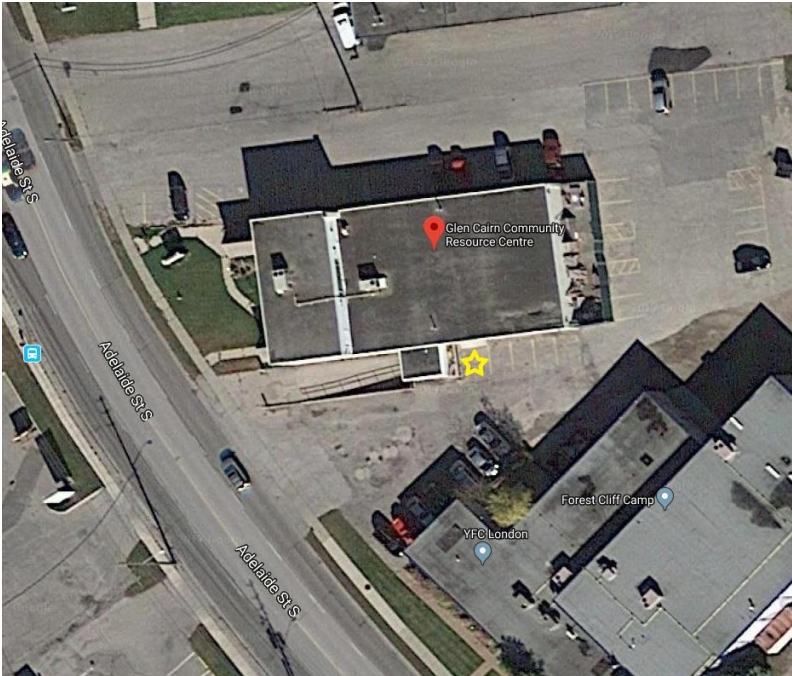

Glen Cairn Community Resource Centre (GCCRC) is the host site, this means that the produce is delivered to the centre and the boxes are packed here. GCCRC is located at 244 Adelaide St S. Please contact GCCRC at 519-668-2745 for their hours of operation.

When you arrive to pick up the boxes pull into the parking lot between Youth for Christ and Glen Cairn Community Resource Centre. You will see a shipping dock in the front of the building. Pull past that, you will see a bright mural and a door. Park by the door as that is the warehouse entrance. Go to front entrance and let front desk staff know you've arrived to pick up GFB. See map for further information.
